#### *Our auction venue*

The Royal Society for the encouragement of Arts, Manufactures and Commerce was founded in 1754, by William Shipley, a drawing master from Northampton, who assembled a group of the most eminent artists, philosophers and scientists of the day and declared that the objectives of his Society were '*to embolden enterprise, to enlarge science, to refine art, to improve our manufactures and to extend our commerce*'. The Society moved to its present premises, which were purpose built by the Adam brothers as part of their Adelphi development, in 1774.

#### *Our logo*

A. H. Baldwin and Sons Ltd., founded in 1872, has had premises in The Adelphi since the 1920's and since 1970 at 11 Adelphi Terrace. The original Terrace was demolished in 1936. The drawing is derived from part of Robert Adam's original plans for his Royal Terrace, and depicts the house at the West end of the Terrace at the corner of Robert Street.

## HELLENISTIC COINS from Alexander the Great to Cleopatra VII

### LIFETIME AND EARLY POSTHUMOUS COINS OF ALEXANDER

- \*1 Macedonia, Amphipolis (c 323-320 BC), Tetradrachm 16.92g, head of young Herakles right, wearing lion's scalp, *rev* ΒΑΣΙΛΕΩΣ ΑΛΕΞΑΝΔΡΟΥ, bearded Zeus seated left on backless throne, drapery over lower body, holding eagle on outstretched hand, and long sceptre, monogram in field left (P 121). *Very fine* £100-120

The early tetradrachms of Alexander show Zeus seated with legs together, the palm of his outstretched hand facing towards the viewer

- \*2 Macedonia, Amphipolis (c 323-320 BC), Tetradrachm 17.17g, head of young Herakles right, wearing lion's scalp, *rev* ΑΛΕΞΑΝΔΡΟΥ, bearded Zeus seated left on backless throne, drapery over lower body, holding eagle and long sceptre, cornucopiae in field left (P 104). *Very fine.* £120-140

- \*3 Cilicia, Tarsus (c 327-323 BC), Tetradrachm 16.91g, head of young Herakles right, wearing lion's scalp, *rev* ΑΛΕΞΑΝΔΡΟΥ, bearded Zeus seated left on backless throne, drapery over lower body, his feet on stool, holding eagle and long lotus-headed sceptre, plough in field left, pellet below throne and in right field (P 3018). *From finely detailed dies, about extremely fine.* £180-200

- \*4 Cilicia, Tarsus (c 327-323 BC), Tetradrachm 17.19g, head of young Herakles right, wearing lion's scalp, *rev* ΑΛΕΞΑΝΔΡΟΥ, bearded Zeus seated left on backless throne, drapery over lower body, his feet on stool, holding eagle and long lotus-headed sceptre, plough in field left, pellet above shoulder of Zeus (P 3031). *A particularly fine obverse die, about extremely fine.* £180-200

- \*5 Phoenicia, Aradus (c 328-320 BC), gold Stater 8.62g, head of Athena right in crested Corinthian helmet decorated with coiled snake; Σ behind head, *rev* ΒΑΣΙΛΕΩΣ ΑΛΕΞΑΝΔΡΟΥ, Nike standing left holding wreath in outstretched right hand, and mast (*stylis*) in left hand; monogram AP in lower left field (P 3315). *Good style, well centred with fine detail, extremely fine.* £1400-1600

The presence of an obverse letter occurs only here and at Tarsus; such letters when on the reverse are sometimes the mark of an individual

- \*6 Cyprus, Citium (c 325-320 BC), Tetradrachm 17.27g, head of young Herakles right wearing lion's scalp, *rev* ΒΑΣΙΛΕΩΣ (right) ΑΛΕΞΑΝΔΡΟ (sic, below), bearded Zeus seated left on backless throne, drapery over lower body, his feet on stool, holding eagle and long sceptre, KT monogram in field left (P 3107). *Very fine* £100-120

- \*7 Babylonia, Babylon (c 325-323 BC), Tetradrachm 17.17g, head of young Herakles right wearing lion's scalp, *rev* ΒΑΣΙΛΕΩΣ (below), ΑΛΕΞΑΝΔΡΟΥ (right), bearded Zeus seated left on throne with high, decorated back, drapery over lower body, his feet on stool, holding eagle and long sceptre, dolphin and M in field left, monogram below throne (P 3617). *High relief, good very fine.* £140-160

On later Alexander Tetradrachms, the rear leg of seated Zeus crosses behind the nearer leg, and the eagle rests on the palm of Zeus's hand rather than its edge. This coin is transitional in style in these respects

- \*8 Babylonia, Babylon (c 317-311 BC), Tetradrachm 17.10g, head of young Herakles right wearing lion's scalp, *rev* ΒΑΣΙΛΕΩΣ (below) ΑΛΕΞΑΝΔΡΟΥ (right), bearded Zeus seated left on throne with high, decorated back, drapery over lower body, holding eagle and long sceptre, H in field left, monogram-in-wreath below throne (P 3708). *Extremely fine* £180-200

- The defeat of the naval power of Ptolemy of Egypt by Demetrius at the sea battle off Salamis, Cyprus, in 306, secured the possession of the island for about twelve years, and with it the command of the sea coasts of Cilicia, Syria and Phoenicia and the trade routes to Asia. The akrostolion, the topmost piece of the curved forepart of this galley, has been broken off and carried away as a token of victory. A particularly well known example of this monumental form of celebration of a naval success is the "Victory of Samothrace" (now in the Louvre, Paris), found on the island of the same name in 1863, which has been dated to c.190-180. Quite possibly such a marble group was erected at Salamis. Demetrius declared himself to be descended from Poseidon, whose form on the reverse of the coin suggests the use of a statue as the model for the coin type

## CONDITIONS OF SALE

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute the auctioneer shall have absolute discretion to determine the dispute and the disputed lot may well be re-offered for sale.

2. The auctioneer will have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw any lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer. The auctioneer has the right to refuse any bid or bids.

3. All lots are offered for sale subject to any reserve price that may be imposed by the seller.

4. All lots are subject to a "BUYER'S PREMIUM" of 10% on the hammer price, and this premium is subject to V.A.T. at the current full rate, payable by all buyers.

5. Bidding commissions for anyone unable to attend the auction in person will be carried out by Baldwin's Auctions Ltd. without any additional charge. Bids must be in writing and be received at least 24 hours before the sale. "Buy" commissions will not be accepted. Baldwin's Auctions Ltd. shall not be liable for errors or omissions in executing any bidding commissions.

6. The buyer of any lot shall, if requested, immediately notify his name and address to the auctioneer and if required,

- (a) provide bank/or other credit references;
- (b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.

7. (a) Lots are sold as shown with all faults, imperfections and errors of description and lack of authenticity. Neither the Baldwin's Auctions Ltd. nor the vendor shall give any warranty to any buyer in respect of any lot or be liable for any fault or error of description or lack of genuineness or authenticity of any lot. All statements as to items sold, whether made in catalogues, during the course of the auction or otherwise, are statements of opinion only and are not and shall not be taken to be statements or representations of fact. Baldwin's Auctions Ltd. reserve the right in forming their opinion to consult and rely upon any expert or authority considered by them to be reliable.

(b) Notwithstanding the foregoing, if any lot, other than a miscellaneous item not individually described in the catalogue, should be proved by the buyer to be not genuine or authentic, or to have been wrongly described in any material respect, the buyer may reject the same provided that he shall have given notice of his intention so to do and shall have returned the same to Baldwin's Auctions Ltd. within seven days from, and in the same condition as at, the date of sale. The onus of proving a lot to be not genuine or authentic or to have been so wrongly described shall lie with the buyer. Proof of the inability of any recognised expert or authority to express a definite opinion shall not discharge such onus. If the buyer shall discharge such onus, the auctioneers shall rescind the sale and repay to the buyer the price paid by him. Save as provided herein, Baldwin's Auctions Ltd. shall not under any circumstances whatsoever be liable for any costs, expenses or damages

(whether direct, indirect, special or consequential) incurred by the buyer in respect of any lot, whether or not as a result of any fault, imperfection, error or description or lack of genuineness or authenticity, including but not limited to loss of any kind of profit whatsoever.

8. Save as provided in the preceding paragraph or these conditions buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. Baldwin's Auctions Ltd. cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneers' premises.

9. Baldwin's Auctions Ltd. act solely as agents and shall not be responsible for any default by either the buyer or seller or for any action or claim which may arise in respect of any lot.

10. Each lot shall be held at the buyer's risk from the fall of the hammer. The lot or lots shall be removed by the buyer within seven working days after the date of the sale. Baldwin's Auctions Ltd. reserve the right to charge storage and to resell by auction or privately, without notice to the buyer, any lots not so removed. Buyers may not remove lots from the auction room during the course of the auction.

11. Any part of the purchase price left outstanding after the auction pursuant to Condition 5 shall be paid in full within thirty days of the date of the auction. Without prejudice to any other rights, Baldwin's Auctions Ltd. reserve the right to charge interest on any overdue payment at the rate of three per cent per month. Seven working days' notice must be allowed for clearance of personal cheques before delivery can be made unless prior arrangements have been made with Baldwin's Auctions Ltd.

12. Buyers accepting commissions from third parties do so at their own risk and will remain responsible to Baldwin's Auctions Ltd. for full settlement according to these conditions.

13. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.

14. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of Baldwin's Auctions Ltd. be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneers' expenses and commission in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained on the first sale.

15. A variation of these Conditions shall only be binding on the Baldwin's Auctions Ltd. and the vendor if it is made in writing and signed by a duly authorised representative of Baldwin's Auctions Ltd.

16. These Conditions shall take effect and be construed in accordance with the provisions of English law.
